

AMAZING IMPROVEMENT

Thank you for terrific customer service and uber-fast shipping! I ordered NOSE BUTTER for our 13 year-old American Bulldog, Faith, on Tuesday. I got my order confirmation at 12:10 PM and my shipping notification at 12:11 PM - wow!

The NOSE BUTTER arrived yesterday, Thursday, way faster than I was expecting.

We started using the NOSE BUTTER on Faith as soon as we got it - I'll write back again to let you know about nose improvement. J But in the meantime, I also wanted to say that NOSE BUTTER makes a great hand salve for people, too!

Thanks again, and all the best, Gretchen

UPDATE: Just wanted to tell you that in only two days of using the NOSE BUTTER on Faith's cracked and crusty nose, we have seen such an amazing improvement! All the major cracks and crusties are gone, and her nose skin is smooth and soft. You've got a customer for life! Thanks for making a wonderful product.

American Bulldog pictured is a model, though I'm sure Faith is every bit as lovely.
